BULL MARKET VENDOR INFORMATION

The USF Bull Market is an open air market located by the Marshall Student Center at the University of South Florida Tampa campus. This long standing tradition has been around for more than 25 years. With an enrollment of more than 42,000 students, 10,000 daily visitors to the center, and an average of 90 spaces reserved, the Bull Market is a great way for vendors, non-profit organizations, university departments, and student organizations to showcase their products and services. While making your reservations, keep the following in mind:

• Space is limited. Reservations must be received by 1:00 pm on the Monday before the market. Please note: a reservation request does NOT guarantee a space will be available. You will receive confirmation once a space has been confirmed and registered for you.

• Food items may not be sold. Vendors may give out food samples, but only after providing the appropriate licenses, as stated in the policies and procedures on our website.

• The official set-up time for vendors will begin at 8:00 am. Placement of vendors within the market area is based upon arrival time, please come early to secure a desirable space.

• All vendors must supply a copy of their business license in order to sell merchandise.

• Vendor pricing is $35/week. Additional pricing information, including discounts for multiple week reservations, can be found by visiting the website at msc.usf.edu/bullmarket.

• Please see reverse side for loading/unloading information.

“Become a part of one of the largest growing traditions for businesses and organizations around USF, Bull Market.”
